Always wear appropriate protective clothing, including a personal flotation device and neoprene shorts. Riding and alcohol/drugs don't mix.

## FEATURE HIGHLIGHTS

### Spark® Hull

The Spark hull design provides a lightweight and playful platform. The innovative Polytec™ material further reduces weight while optimising performance and efficiency. The colour-in molding is more scratch-resistant than fiberglass.

### Slim Seat

Designed to improve freedom of movement while riding.

### LinQ Lite Integration

Quickly accessible and located at 5 points on the unit (+2 on convenience package). The full array of Sea-Doo® LinQ Lite accessories can be integrated.

### Rotax 900 ACE - 60 Engine

Fuel-efficient, compact and lightweight Rotax engine.

### BRP Audio - Portable System (optional)

The BRP Audio portable system provides higher quality sound on and off the water, featuring Concert, Ride and Home modes. Equipped with a heavy duty mounting bracket.

### Front Storage and Watertight Phone Compartment

Front storage for easier access to bring more gear on board. Easily secure cell phone and valuable items with the watertight phone compartment.
